Dear Friend of Silverwood School,

We invite you to join us for our R.E.C.E.S.S. Auction (Rallying to Ensure the Continued Excellence of Silverwood School) on Saturday, March 11, 2017, at the Kitsap Golf and Country Club. As a nonprofit independent school, we depend upon the generosity of the local community to help us provide a unique educational experience for students from the Kitsap Peninsula and surrounding communities. Auction proceeds will be used to benefit our school through staff and curriculum development, school programs, and scholarships.

About our school

- Founded in 1984, Silverwood School's mission is to foster the inherently creative, generous and fun-loving qualities of children while providing a strong academic foundation.
- Member of the Northwest Association of Independent Schools (NWAIS) and approved by the Office of Superintendent of Public Instruction (OSPI)
- Serving 54 students in grades kindergarten through 6th
- 501(3)(C) Nonprofit institution

How you can support Silverwood School

- Donate an auction item or certificate (procurement form enclosed).
- Become an event sponsor or provide a monetary donation and receive promotion in both our auction catalog and social media outlets.
- Attend our auction.

The help of friends and businesses is the key to our R.E.C.E.S.S. Auction's success, and we appreciate your support. Without it, Silverwood School would be severely limited in the opportunities it provides its students. The deadline for inclusion in our auction catalog is February 17, 2017. Thank you for supporting Silverwood School.

Sincerely,

A handwritten signature in blue ink that reads "Jon Torgerson". The signature is fluid and cursive, with the first name "Jon" being larger and more prominent than the last name "Torgerson".

Jon Torgerson
Head of School
