FACTS ParentsWeb Information

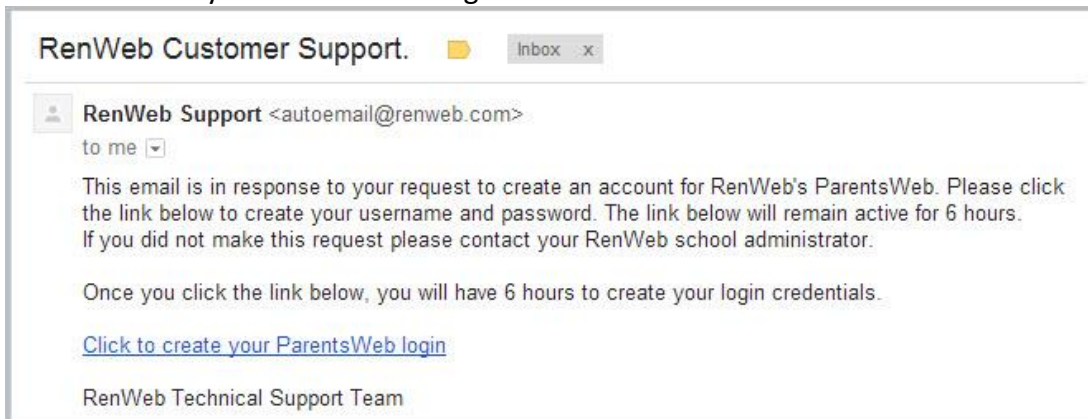

Accessing ParentsWeb

FACTS Management is the database Silverwood School's teachers and staff use to input student and family information, grades, homework assignments, and other classroom information.

ParentsWeb is part of **FACTS** (formerly RenWeb). It is a private and secure parents' portal that Silverwood uses to allow parents to view academic information specific to their children, while protecting their children's information from others. Parents can communicate with teachers, and parents are kept up to date on their student's progress. You may view your child's grades, attendance, homework, school calendar, and other useful school information. You may also access a school directory for families who agree to share their contact information. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **ParentsWeb**:

- In Chrome, Firefox, Safari, or Internet Explorer go to www.factsmgmt.com and click **Parent Login**, then select **FACTS Family Online (ParentsWeb)**.
- Type the school's **District Code SW-WA**.
- Click **Create New ParentsWeb Account**.
- Type your email address and click **Create Account**. An email will be sent which includes a link to create your ParentsWeb login. The link is active for 6 hours.

- Select the **Click to Create your ParentsWeb login** link.
- A web browser displays your **Name** and FACTS/RenWeb **Person ID**.
